**RE: MTC TIP Revision 2009-09 – Administrative Modification**

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the FY 2008-09-2011-12 Federal Transportation Improvement Program (FTIP). TIP Revision No. 09-09 is an administrative modification that makes revisions to 17 projects with a net increase in funding of approximately \$13.7 million.

One significant change in this revision is the addition of four million dollars in FTA 5309 New Starts funds to AC Transit's Enhanced Bus - Telegraph/International/East 14th project (ALA050017). The Caltrans managed Grouped Listing for State Highway Operations and Protection Program (SHOPP) – Emergency Response was updated to include three new projects in FY 2008-09 and one in FY 2009-10 with a net increase in cost of \$2.4 million.

MTC's 2009 FTIP, as revised with TIP Revision No. 09-09, remains in conformity with the applicable State Implementation Plan (SIP) for air quality and the revision does not interfere with the timely implementation of the Transportation Control Measures contained in the State Implementation Plan (SIP). The modifications made pursuant to this revision do not require a new regional emissions analysis because the projects were found to conform as a part of a previous analysis, pursuant to the transportation conformity provisions found in 40 CFR Part 93 section 122(g).

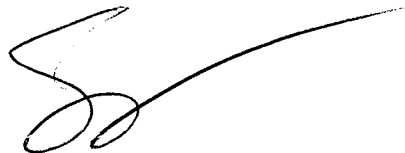

MTC's 2009 FTIP, including Revision No. 09-09, was developed through a continuing, cooperative, comprehensive transportation planning process in accordance with 23 U.S.C. §134 and 49 U.S.C. Chapter 53 and MTC's Public Participation Plan.

TIP financial constraint documentation submitted with this revision shows that MTC's FTIP is financially constrained as required by the federal surface transportation programs authorizing legislation and statewide and metropolitan planning and programming regulations.

MTC's 2009 FTIP, including Revision No. 09-09, is consistent with metropolitan transportation planning regulations per 23 Code of Federal Regulations Part 450 and conforms to MTC's Regional Transportation Plan (Transportation 2030).

The revised TIP entries and the updated fiscal constraint documentation have been emailed to your staff and has been posted at MTC's TIP website at: <http://www.mtc.ca.gov/funding/tip/>. If you have any questions regarding this revision, please contact Sri Srinivasan of my staff at (510) 817-5793.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steve Heminger', with a long, sweeping horizontal line extending to the right.

Steve Heminger  
Executive Director
